

## Tuscaloosa Track Club Clock and Finish Line Contract/Invoice

I/we agree to pay the Tuscaloosa Track Club, Inc., the amount indicated below for the services rendered for my/our event:

Check which service your event will need:

☒ **Full finish line service and large LED clock rental \$200.** Finish line service includes two or three Track Club members who will 1) set up clock and finish line shoot, 2) collect official finish times electronically, 3) determine finish order using the card method (cards will be provided by the club), 4) determine awards based on the finish order, 5) compile results and post on the TTC web site. Clock is two-sided with 6 inch LED numbers. Comes with six foot tripod.

☐ **Large LED clock rental \$150.** Finish line service as above. A Track Club member will set up and remain with the clock until the race is finished. Clock is one-sided with 4 inch LED numbers. Comes with six foot tripod.

☐ **Hand-held timing device \$25.** A Track Club member attend race to operate.

A down payment of at least \$100 (\$50 for small clock or \$25 for hand-held timer) is due with this application to secure availability of services.

In the event that the clock or timing devices fail, are late arriving, or cannot be used due to weather conditions or race cancellation, I understand that the fee stated above is negotiable (may be lowered or waived) when the event is over.
